**Subject:** RE: Niagara Falls Boulevard Fact Sheet

Thanks so much Mary. Please hold off on sending the fact sheet to elected officials. I received a phone call from NYS this morning regarding the fact sheet. This was all sent out on Friday and I want the partner agencies to have a day to read just in case they have any concerns with the wording. I will get back to you.

Thanks

Hi Eric...I'm ready to send the fact sheet to our elected officials. If there are questions about the information, do you want them referred to you? If so, let me know the date when you'd like it to go out.

I'm not sure if Mike will be ready for door to door distribution of the fact sheet on his first day back from vacation but I'll have copies ready just in case.

Thanks!

**Subject:** Niagara Falls Boulevard Fact Sheet

Good Evening:

Today we received a verbal funding authorization from our division director. Therefore, our plans to mobilize at the site on March 24, 2016 is going to happen.

The attached fact sheet is very similar to the one we put out for Holy Trinity and should not need much revision. Please check for errors.

I spoke with Mike on Tuesday about the potential for this. I know he will not be back until May 26<sup>th</sup>. I can't speak for Mike but I am requesting that he visit the site on the 26<sup>th</sup> and distribute the fact sheets to the surrounding businesses, the school and trailer park community as he described. The first couple days we will be staging equipment and preparing to perform the work, so I don't think this should be an issue. I would ask that this fact sheet be distributed next week to the political contacts that were given the fact sheets in the past. That way they have a heads up the week before. I will communicate our plans to our local and state environmental partners.

Thanks

Regards,

Eric
